Five Ponds Press was adopted as a fourth grade social studies textbook for students in Virginia's public schools in 2010. Soon after its distribution to schools, Carol Sheriff, professor of history at the College of William & Mary,

Our Virginia: Past and Present Collection 2010-2013

Griffith then headed back to teaching elementary school and working nights teaching literacy to teachers as he has done for 30 plus years 2. The questions on the test range from geography to architecture to history. African-American legislators noted that the third-grade test emphasizes African-American heroes, such as the Rev. Dr. Martin ...

Laugh or cry - Bionic Teaching

This is typically the student edition of the textbook or the primary material that students will use to gain access to the content, although there may be exceptions according to the content area and grade level of the textbooks (e.g., teacher's editions may need to be included in the review at elementary grades for English/reading).

Agenda Item - doe.virginia.gov

Water is critical to the survival of all living creatures, but if that water source is compromised, it can have deadly consequences. For cattle ranchers, watering their livestock from ponds and the presence of high amounts of blue-green algae can be a threat, said Scott Fritz, toxicology resident ...
