While shopping it comes up as the international paperback option in lieu of the recent 8th edition of International Financial Management. One can easily miss seeing the the tiny print on the cover indicating the book to be 4th edition. Newer 5th, 6th updated editions are available at better prices.

fundamental concepts and tools necessary to implement an effective global financial management strategy. The 6th Edition reflects the juxtaposed forces of an increasingly digital global marketplace and a resurgence of nationalist culture and identity. Financial forces, markets, and management are in many ways at the crux of this challenge.
