This flexible format allows mid-career working adults, and those unable to attend the residential doctoral program, to study conflict resolution in a creative, rigorous, and structured fashion. The online Ph.D. program began in September 1999. There are currently 50 online doctoral students.

Online Ph.D. Degree in Conflict Analysis and Resolution

Conflict management is an often overlooked area of business strategy that is critical to a well running and competitive organization. Organizations and businesses waste millions of dollars annually misdiagnosing conflict and attempting to resolve internal and external conflicts through reorganizations without having a firm understanding of the underlying causes and effects.
