There aren't a lot of free Kindle books here because they aren't free for a very long period of time, though there are plenty of genres you can browse through. Look carefully on each download page and you can find when the free deal ends.

Unpacking International Organisations The Dynamics

1 The bureaucracy of international organisations (pp. 3-20) International bureaucracies are compound systems of public administration that blend departmental, epistemic and supranational decision-making dynamics. The intergovernmental dynamic is seen to be less essential within international bureaucracies.

Admittedly, there are no guarantees that these dynamics always materialise in the actors' behaviour and ultimately in the decisions reached by international organisations. However, they serve as cognitive and normative frames for action, rendering it more likely than not that particular decision-making dynamics are associated with certain behavioural patterns.

The book Unpacking international organisations argues that after the first generation of IO studies – which focused on IOs as intergovernmental agencies – and the second generation – which analysed IOs as bureaucracies with identities, resources, authority and interests – now we should examine the internal dynamics of these bureaucracies as it has already been done by public administration studies on national bureaucracies (p. 10). In accordance, Jarle Trondal, Martin Marcussen ...
